		Sleep	0.45W	
On		24W		

Feature Highlights

Thin is the key

- Ultra-thin enclosure
- Zero Frame design maximizes your viewing experience
- Stand with concentric circles pattern

Great visuals

- Full HD resolution
- IPS*technology
- 178° Wide viewing angle

Better your eyes

- Acer Flicker-less technology
- BlueLight Shield technology
- Acer ComfyView Display
- -5 to 15 degree tilted angle for the comfortable viewing

Green perspective

- EcoDisplay
- ENERGY STAR 7.0 certification
- Mercury free

Unit: Cm

Resolution

Full HD display

SA0 series brings users into a perfect colorful world in Full HD 1920 x 1080, and provides the finest natural and sharp original quality with In-Plane Switching* panel and 100,000,000:1 contrast ratio.

Acer VisionCare™

AcerVisionCare™

AcerVisionCare™ technology incorporates several features that take into consideration prolonged usage by heavy users such as programmers, writers, and graphic designers to reduce eye strain and provides a more comfortable viewing experience.

In-Plane Switching technology

Advanced liquid crystal formula for advanced IPS* technology for premium color performance, which has no color difference at any viewing angle

ULTRA THIN

Ultra-thin & ZeroFrame

SA0 series feature with ultra-thin enclosure, thinner than most of the smart phone. It also offers new zero-frame design, virtually removes the display bounding box and gives you all image, seamless visual enjoyment

About Acer

Established in 1976, Acer is an information and communication technology company dedicated to the research, design, marketing, sale and support of innovative products that enhance people's lives. Acer's green supply chain delivers environmentally friendly PCs, displays, projectors, servers, tablets and smartphones — tools our customers need to explore beyond limits and experience more. Ranked No. 3 for notebooks globally (IDC 2012), Acer employs 8,000 people, and 2011 revenues reached US\$15.7 billion. Please visit www.acer.com for more information.
