

ICY BOX IB-MS525-T

Triple Monitor Stand

Key features

- Less space required – for a more flexible and productive workplace
- Well-engineered design - slim and ergonomic
- Smart Torque Adjust™ – built-in spring gauge can be adjusted to different monitor weights
- Gas spring counterbalance makes the monitor easy to position
- Cable management routes cables under the arm to reduce clutter for a clean look
- Grommet and desk mount base suits most desks with adjustable clamp height
- Installs from top side of the desk surface
- Detachable VESA plate design: enables easy installation
- Supports 75x75 and 100x100 VESA® standards
- Easy assembly and compact package – optimised for e-commerce

Packing content

IB-MS525-T, allen wrench, screw set, quick installation guide

Technical data

Model	IB-MS525-T
Article no.	61086
EAN code	4250078174196
Colour	Silver/grey
Material	Aluminium, steel, plastic
Maximum size of monitor (diagonal)	30" (76 cm)
Number of monitors	3
Max. weight/monitor	1 - 7 kg
Mounting	Full metall clamp or grommet base
VESA® compatible	75x75 / 100x100 mm

Swivel (Hinge) - VESA®	+90° to -90°
Tilt (Hinge) - VESA®	+90° to -45°
Rotate (Pivot) - VESA®	+180° to -180°
Base - Rotate (Pivot)	+90° to -90°
Tilt (arm)	+45° to -45°
Swivel (Hinge)	+180° to -180°
Max arm extend	670 mm
Max arm height	465 mm
Arm height adjustment range	280 mm
Table thickness	10 - 50 mm (desk clamp), 10 - 45 mm (grommet base)

ICY BOX **IB-MS525-T** Triple Monitor Stand

Firm hold

The monitor holder can either be attached to the edge of a table using a clamping foot or alternatively directly to the table top using a table grommet. In both cases, it can be conveniently mounted from above the tabletop and the necessary accessories are included in the scope of delivery.

Mobile

No matter how you prefer to work, the various joints are individually adjustable. This means that the monitors can be customised exactly to your requirements. The many joints allow the three monitors to be rotated and height-adjusted, as well as adjusted in terms of tilt and, for two monitors, the distance to the eyes.

Easy mounting

The removable VESA® adapters made of high-quality steel can simply be pulled out upwards after unlocking. This means that the adapters can first be conveniently mounted on your monitors and then inserted into the support arms together with the monitors.

Logistical data

Packing unit: 2 pcs. / carton
Total weight: 15.42 kg
Gross weight (with packing): 7.38 kg
Net weight: 6.42 kg

Dimension/carton: 450x335x300 mm
Dimension (with packing): 320x435x135 mm
Dimension of article: 320x430x140 mm
Country of origin: China
